

## **MARCH EASY KNIT & PURL**

**This month's project features an easy pattern that will give you a patterned block the same size as February's Textured Heart when you use the same size needles for both.**

Recommended needle sizes: US 8, US 9 or US 10

K = knit, P = purl

Cast on 33 stitches

We recommend that you place a check mark or an 'X' in the box to the left of each row as you complete each row. This helps when you have to stop and need to know which row is next when you come back. Use a pencil. This will allow you to erase your marks and use the same sheet for your next block.
